

Growing Fruits

SEED OF LIGHT, LOVE, HOPE AND FAITH

In the sacrament of Confirmation, we celebrate our growth in faith and learn to take more responsibility for our spiritual journey.

As we prepare to receive the gift of the Holy Spirit, we also want to cooperate with God on growing spiritual fruits.

Fruits of the Holy Spirit emerge from the time we spend seeking God, discovering who he is and how we can become more like him.

In our preparation time, we will learn how to observe the invisible part of our sacramental journey.

JOIN THE SPIRIT

- Confirmation is the special outpouring of the Holy Spirit CCC 1285
- By this sacrament we are enriched with a special strength of the Holy Spirit CCC 1302

WHAT IS MY NAME

When you were brought to the church to be baptised, your parents chose the name for you.

*Do you know what your name means?
Do you know why your parents chose that name for you?*

Now for Next

My name is

NOTE HERE YOUR FINDINGS

GET TO KNOW YOUR NAME

Before you choose a new name for yourself, make sure to ask your parents all about the story of where your baptismal name comes from.

If you can't ask those questions, please research the meaning of your name and see if there are any famous people with the same name, who could become your spiritual example.

PLANT AND CARE

You are receiving a flower bulb today. It is very fragile and quite helpless, but it has the potential to grow and bloom.

A lot depends on you taking proper care of the life given into your hands.

Ask your family to help you and be present when you grow your Confirmation bulb.
